

Wireless Motion Sensor Stand Anywhere Light

Item # **MB750**

Key Features

- **Motion Sensor Activated:** The Stand Anywhere Light instantly turns on when it detects motion from up to 15 feet away. The light sensor helps to prevent light from activating in daylight.
- **Easy to Install:** No wires and no hardware = easy installation in under 5 minutes; no electrician required.
- **Energy Efficient:** Our high quality LEDs never need to be replaced. It's so efficient, you will get up to one year of battery life.
- **Bright LED:** The LED directs 20 lumens of white neutral light anywhere you need it.
- **Multipurpose:** Versatile and portable standing light for counters, tables and cupboards. Off switch allows for easy travel without wasting battery life.
- **Durable, Weather Resistant:** Tight seals and UV resistant material allow the Mr Beams Stand Anywhere Light to work in all weather conditions.
